

REMARKS/ARGUMENTS

Drawings

The Applicant notes the Examining Attorney has accepted the drawings, and the Applicant appreciates the same.

Claim Objections

The Examining Attorney has objected to claims 23, 25 and 26 because of the noted formalities. The Applicant has revised the claims, per the Examining Attorneys suggestions, as shown hereinabove, and asserts that it has thereby removed the objections.

Claim Rejections – 35 USC § 112

The Examining Attorney has rejected claims 24 through 28 as failing to set forth the subject matter which Applicant regards as their invention.

The Applicant has made certain suggested amendments per the Examiner's recommendations, and respectfully submits that claims 24 through 28 as amended are in a position to proceed to allowance.

Allowable Subject Matter

The Applicant notes the Examining Attorney has allowed claims 1 through 22, and appreciates the same.

Prior Art Made of Record and Not Relied Upon

The Applicant notes the prior art made of record but not relied upon and asserts that for the reasons set forth above, the claims are allowable over the art made of record.

Conclusion

Applicant therefore submits Claims 1 - 28 are in a position to proceed to allowance.

Respectfully submitted,

Dated: 3-15-05
